[redacted],

The NYOC received a phone call from [redacted] claiming to work for a Norwegian magazine that had contact with a female that flew on Jeffrey Epstein's Plane. When we asked Compton for her contact information she seemed nervous. We provided Compton with the NY Office email address to which she was amenable.

Subject: Epstein info

Hello

I work for a publication in Norway, Europe.

We have discovered that a Norwegian businesswoman[redacted] was several times a passenger on Jeffrey Epstein's private plane in 1996 and 1997. Attached is a passenger list made public on the Internet in the last week.

The attached file shows: Flight log, with [redacted] ([redacted] in log) traveling from Teterboro New York to Palm Beach on August 18th 1996 and September 12th 1996, each time with 'JE' – Jeffrey Epstein.

We know from media stories that the FBI wants to speak to anyone who was a passenger on Epstein's plane.

We would like to know if the FBI would be interested in speaking to Miss [redacted]?

Many thanks and regards
